A Community Newsletter

## "The Unvarnished Truth about LFPOA Financial Status" (For those who like to deal in truth – here are the facts)

Our Community’s reputation has vastly improved over the past 10 years. Property values have increased at double the rate of nearby communities. The City has invested in Lake Forest and LFPOA has worked hard to build a good relationship with our City leaders. Yet you may have seen certain reckless, orchestrated disruptions by some intended to injure the Lake Forest community and harm our relationship with our City leaders. Misleading information being promoted on ad hoc social media sites and to City leaders has been divisive to our common good. The orchestrated disruptions and false information being sent out by a small group is damaging Lake Forest. These attacks are generally false and negatively impact our property values. The members of LFPOA deserve better. Your Board and LFPOA management intend to get the truth out. The POA is going to regularly send out accurate information in this fight to protect our property values.

**Please read on so you will know the facts; then you can decide for yourself.**

**FINANCIAL HISTORY and DUES RATES:** Prior to 2010 and prior to ICON Management’s tenure, the POA had incurred over \$500,000 of debt. Our organization was nearly bankrupt. Of note from 1983 until 2003 the dues rate remained the same rate at \$30.00 per month for 20 years. Our dues rate did not keep up with increases for the cost-of-living, which contributed to limited amenity upkeep and maintenance for our existing amenity package, which ultimately fell into steep decline. Home values were hurting.

**BP Oil Spill Grant** - initiated by ICON - resulted with an award amount that cleared all past POA debts as well as established our first ever reserve account fund with over \$200,000.

## Front Page Contd.

**Since 2014**, our POA has **NOT** incurred any new debt. Currently, the **POA** has **NO DEBT**.

For 2022, the dues rate was rolled back \$10 from \$70 per month rate to the 2018 Dues Rate, and our Dues Rate is presently \$60 per month.

**Since 2014**, as part of annual budget review process, targeted dues increases were approved for our POA to bring the dues rate more in line with present needs when balanced against expected and projected LFPOA revenues. Revenues from golf, event rentals, and from our food and beverage venues, combined with monthly dues from members, are used to provide funding for our staffing, management, and maintenance costs. The POA funds also serve as a “common fund” used for enforcement of the LF Covenants. The enforcement of Covenant restrictions, as well as proper maintenance of common amenities, directly affects our quality of life, which directly affects our home values. **We think quality of life and home values are important.**

Our amenity package includes (3) pools, (3) common ground parks with playground equipment, 18-hole golf course, (4) entrances, stables, 19th hole (remnant building left over from old clubhouse), waterfront restaurant venue formerly known as the Yacht Club and Marina. Our Lake Forest staffing levels are comprised of nearly 50 personnel.

**In 2014**, a **BUILDING FUND** was established to set aside a monthly amount for Capital Projects and significant maintenance projects. Since 2014, two pools with associated common grounds and playground equipment were significantly renovated (Montclair and Ridgewood). One pool (Swim and Racket) received less extensive renovation - with playground equipment added. From late 2020 to early 2021, the waterfront venue was renovated in compliance with floodplain requirements. All these projects were competitively bid and managed by professional services.

**Since 2015**, **STRATEGIC MUTUALLY BENEFICIAL RELATIONSHIPS** have been entered into with the City of Daphne. These relationships have benefited our City and the Lake Forest Community. These agreements were at no cost to our members and resulted in over \$25 Million Dollars of infrastructure and other improvements for our boat ramp, waterfront boat channel, Lake 9 DISC Golf Course and drainage improvements for D'Olive and Tiawasee Creeks, just to name a few. Effective communication with City officials has resulted in sidewalks, road paving, improved street signage, and other capital improvements.

**FINANCIAL TRANSPARENCY:** As we are not a public entity, such as a city or county, our finances are not required to be posted publicly. However, our POA financial records are posted routinely on our member website for members to view. Financial reporting is typically provided by the Board Treasurer or by Management during our monthly meetings. Members may also set an appointment with our Management Team to review areas of concern.

## Front Page Contd..

While ICON provides appropriate budget oversight by utilizing a mid-year as well as annual financial reviews, our Association goes even further with independent outside professional examinations. Here are the FACTS:

### **FINANCIAL THIRD-PARTY INDEPENDENT “REVIEW” PRACTICES SINCE 2010:**

- **Since 2010**, the independent local Accounting Firm of Robertson, Andreoli, and Covington P.C. has performed a **“Third Party Financial Review”** of LFPOA Financials.
- The Independent Annual Review is performed to assure the accuracy of all POA financial statements. The Annual Review and Tax Return cost is approximately \$9,000 per year.
- A “Letter of Findings” is issued as part of our Third-Party Review.

### **FINANCIAL THIRD-PARTY INDEPENDENT FINDINGS 2018, 2019 AND 2020:**

- Financial Third-Party Reviews for **2018, 2019, and 2020** as well as the **Review Findings** are posted on our POA website **for members to view**.
- For 2021, the review is already budgeted and will take place once taxes are filed. The findings will be also posted once completed.
- These Third-Party Reviews have not found any significant financial discrepancies.

### **FINANCIAL THIRD-PARTY INDEPENDENT AUDIT FOR 2022:**

- **On November 22, 2021**, the Board budgeted funds for an **AUDIT** to be completed by an independent Third-Party CPA for tax year **2022**.
- The CPA firm will express an opinion about Accuracy and Compliance with general accepted accounting standards; typically costs approximately \$24,000 to \$30,000.
- Audit Findings will be posted on our member website once available.

With all the progress over the last ten years, it is important to remind LFPOA members about how far we have come. Despite the unwarranted attacks, Lake Forest continues to improve. With your help, Lake Forest will reach its full potential to be one of the best places to live due to our Location, Affordability and Quality of Life.

Be sure to visit [www.lakeforestdaphne.com](http://www.lakeforestdaphne.com) where you can read the online version of the “Lake Forester”. Your POA will continue to provide TRUTH so you can respond to the attacks as well.

# Notes from the Board of Directors

BY LFPOA BOD

Welcome to our new page titled "Notes from the Board of Directors" and welcome to our new community digital newsletter. We will be looking at all forms of communication's that are sent out to homeowners and will always be looking at ways to improve as we move forward with our community. We hope you enjoy this updated version of our digital online format of community news.

On another note, the Board of Directors on behalf of our POA Community would like to thank the City of Daphne for their tireless work on making our community a better place to live, especially when it comes to all our new sidewalks. This project started in 2015, initiated by then Councilman, now our Mayor, Robin Lejeune. Completion of sidewalks and other pedestrian connections throughout Lake Forest as well as the rest of the City are currently being considered for funding. A phased planning approach is underway and will take several more years to accomplish. The new sidewalks have truly made a difference in the day to day lives of our residents: providing them with more options to walk, jog, and most importantly, enjoy the outdoors!! Join us in celebrating the completion of the segment that makes the connection between North Main at the Windsor Drive Entrance, down Ridgewood Drive to the intersection known as the triangle with Bayview Drive. Thank you Daphne and thank you to our hardworking Public Works team led by Mr. Ronnie Huskey.

# Architectural Corner

BY STEPHANIE COCHRAN

The Architectural Department is open 8:00 am – 4:30 pm, Monday – Friday. If you would like to discuss your home improvement project or have a concern or question about covenant enforcement, please call 251-626-0788 or lfarc@lakeforestdaphne.com. Please see the latest reports from the Architectural Department.

## Architectural Committee Report

3 properties filed complaint with the court for non-compliance.

6 properties sent to attorney for 1st letter

1 property filed motion for contempt

1 property brought into compliance

## Permit Approval

9 permits approved; siding replacement, roof replacements, sheds, repaint of home, removal of tree's and 6 ft. wooden perimeter fencing

1 new construction

# City Liaison Update

BY VICTORIA J PHELPS

Update as follows:

- **City of Daphne Approved the Marina Parcel Lease Extension in June 22 to facilitate planned Phase II ADEM Grant Improvements. The lease term was requested to be revised by ADEM to last an additional 7 years and will end in 40 years to 2062 to meet the term criteria requirements. Planned improvements for this grant include the addition of a kayak boat ramp and stone pavers for the boat ramp parking area. This new grant project is currently planned for completion in 2023. Previous Grant Awards applied for by the City include a GOMESA Grant to dredge the channel from the boat ramp to Mobile Bay and a Phase I Grant from ADEM that provided the new boat ramp. These improvements and investments were made by the City for the greater welfare and for the general enjoyment of the waterfront area by all citizens of Daphne and our area visitors.**
- **Sidewalk project Ridgewood Phase for 2021 - 2022 mostly completed to the triangle intersection w Bayview.**
- **Additional sidewalk planning is in progress for the entire city for the next 5 - years; completion of sidewalks for Ridgewood Drive and Bayview Drive are currently included. We have asked our City Officials to include Lake Forest Blvd sidewalks for future planning segments.**
- **Road Project for 2021 / 2022 are completed with many roads in LF having been resurfaced (reminder roads are selected for resurfacing based on classification and conditions)**
- **Lake Shore Drive major road and drainage improvements bid for this work was first week of June**
- **Deco post signage replacement for 2022 is nearly completed by Daphne Public Works which will complete all major thoroughfares.**
- **Mayor LeJeune briefed the public recently about other Daphne local planned projects that include Highway 90 Widening, Bayfront Park Streetscape Improvements and construction of a new Animal Shelter. An amphitheater is also planned as a future phase for Bayfront Park. Daphne Sports Complex Jubilee Splash Pad located on Park Drive is now open for summer fun!!**

## Golf Pro's Corner

BY BRIAN BARKER

July is here! What some people call the start of the “Dog days of Summer”. Here’s a tip to enjoy these hot days; go to the beach, go to the pool, go out on a boat but my favorite, riding down a beautiful fairway in a golf cart. If you love golf as I do, prepare for the round and the heat will not be a problem. I first off, recommend riding and not walking in this heat. Get an ice chest from the 19th Hole Grill and fill it with plenty of water, Powerade and some type of energy snack. Also, take a towel for your clubs and one just for you to wipe off perspiration. In addition, do not forget to dress for the heat – that’s very important. Do these few things and you’ll have a great time and maybe lower that score.

Our Memorial Day Scramble hosted by the Senior Golfers Golf Association was held in late May with the results as follows: Net Flight - 1st Place Gross (66) – Sharon St Laurent, Bill Bullock, Tom Stiles, Will Windham; 1st Place Net (47) – Jerry D’Acquisto, Clay D’Acquisto, Rose Marie Theis; 2nd Place Net (47) – Richard Garcia, Betty Munn, Laura Pitre, Ed Dorgan; Gross Flight – 1st Place Gross (63) – Mike McKown, Mike Schulz, Steve Szedlmayer; 2nd Place Gross (64) – Johnie Harrison, Mark Jones, Bena Brown, Bruce Agee. The MGA Member/Guest was held on June 18th with the results as followed: 1st Place Gross (60) – Chris Collins and Tyler Hadley; 1st Place Net (63) – Anthony Hadley and Richard Teal; 2nd Place Gross (67) – Wes Brown and Mike Meier; 2nd Place Net (64) – Maxie Cooper and Rob Doughty; 3rd Place Net (65) – Gray Englebert and Bill Williams. Congratulations to all or our winners!

Summer Junior Golf Camps were held June 13th – 16th and the 27th – 30th, where over 25 juniors were introduced to the game where a tremendous time had by all. Thank you to all those who joined us for these memorable experiences!

Lake Forest

value for your  
buck,  
anywhere”

## Racquet Club News

BY MICHAEL ALBRECHT, USPTA

**WOW!!** What a hot June we had. As long as I can remember this had to be one of the hottest June's we have ever had on the Eastern Shore. The hot weather however did not keep anyone away from the courts. Every court was in June from Monday through Friday was booked from early morning to around noon.

We are seeing some hard work and focus in our morning advanced junior training classes. I am so proud of all our juniors and the hard work and dedication they are putting into their games this summer. It is definitely paying off and translating to some big tournament results. If you are interested in signing your child up for this class please contact Mike Albrecht.

If you haven't signed your child up for the tennis and swim camp it is never too late. We have two more weeks to go, July 11-14, July 18-21. Camps are held Monday through Thursday from 9:30 am to 2:00 pm. Pack them a snack, plenty of sunscreen and all their swim gear. We guarantee they will come home nice and tired after a day on the courts and in the pool. Download a registration form at [www.lakeforestdaphne.com](http://www.lakeforestdaphne.com)

Ladies combo 2.5 USTA is in full swing. We have fielded 2 teams from Lake Forest and they are the only daytime beginner level team competing in the whole Mobile and Eastern Shore area. It is a big thumbs up to the Lake Forest Racquet Club for running another successful ladies beginner tennis class back in March.

Thursday night men's tennis is back!! We have added a Thursday to the weekly line-up for the guys to get out and play some doubles. Play starts at 6:00 pm. If you are interested send us an email and we can get more information to you.

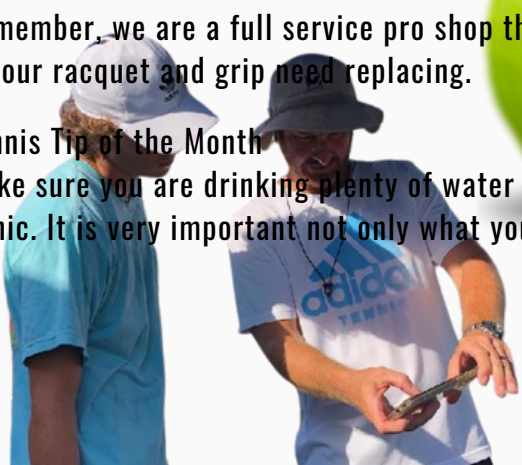

Let's not forget about the men's social play on Saturday morning's starting at 8:30 AM. If you live in Lake Forest, it's free to come on out and play on the clay courts. Come join us, we are always looking for some more players and good, friendly competition.

Our ladies 3.0 classes are going strong on Tuesday's from 8:30 am to 10:00 am and Friday from 9:00 am to 10:30 am. New to the neighborhood? Give us a call email us and we can get you involved in our daytime ladies program.

Remember, we are a full service pro shop that regrips and restrings racquets. Stop by and we can let you know if your racquet and grip need replacing.

**Tennis Tip of the Month**

Make sure you are drinking plenty of water and electrolytes the day before you have to play a match or have a clinic. It is very important not only what you drink during your play but also the day before.

## The Back Deck Bar and Grille

BY CALVIN CLAY

June so far has been busy and Karaoke continues to grow on Monday's. We are also seeing bigger crowds on Friday night for our live music. Les Hall performs live every Friday from 6 pm to 9 pm so stop on by for the fish fry specials and some live music. We have added more new faces and continue to hire for a busy summer. Looking forward to opening the outside bar. Chef Justin is getting settled in and about to start running some food specials on Friday's and Saturday nights.

Our events manager, Kim Seide, continues to book more events and is getting ready for a busy July and August. Burger night continues to be a hit so much so that we will not be offering the \$3 burger to go but guest can get the Yacht Burger at regular price to go. Gavin and Ollie are doing a great job of getting food out hot and quick to our customers. We are always trying to improve and continue to work on cook times, especially when we have large parties.

BY KARA WILBOURN, CITY OF DAPHNE

## NEW JUBILEE SPLASH PAD

The City of Daphne is excited to announce the opening of the new Jubilee Splash Pad! The new water play area has a jubilee theme and includes a drenching dolphin tale, dumping fish fixtures, two spray cannons and multiple spray jets. “We are excited about adding another fun play area for the children in the community to enjoy,” says Daphne Mayor Robin LeJeune. “With the hot summer months coming, the splash pad will offer Daphne families a fun place to come and cool off.”

The Daphne Splash Pad is located at the entrance to the Daphne Sports Complex at 7060 Park Drive and is adjacent to the new inclusive playground the city opened in November 2021. Together, the play areas include two new 800-foot shaded pavilions and multiple benches and picnic tables. A new restroom facility, currently under construction, will be located between the splash pad and playground.
