Lake Forest Residents Enjoying our Tennis Program

MICHAEL ALBRECHT

Recently, I sat down with two residents of Lake Forest to get better acquainted. Getting to know our players is one of the best ways to accomplish an individualized teaching regime and to develop friendships within our neighborhood.

I spoke with Anna and Robyn who both registered for our ladies beginner adult tennis class last March. 2022's clinic began with a full class consisting of 46 ladies ready to learn the game of tennis and ready to improve their fitness.

Here is what they had to say about their new hobby in the world of tennis.

Anna is a Louisiana native, a LSU Grad - GO TIGERS! She has lived in Lake Forest for 13 years and works in accounting. Anna has one nine-year-old daughter and is married. She came across our beginner tennis clinic last year in Lake Forester and again saw the ad on Facebook. I asked Anna to describe her experience over the last year and how tennis has changed her life. I was thrilled to hear her excitement in becoming more fit! She went further in explaining how her new friends had allowed a more robust social life centered around health. Having made over forty new friends since March of 2022 is amazing and personally, I am thrilled to be a part of offering a new skill set for people becoming players. Anna expressed how her joints had become more flexible and now she plays several times a week. "Being outside and enjoying the fresh air is the best. **Contd on page 5.**

Notes from the Board of Directors

As a response to POA resident member questions the information below is provided:

Amenities: Our Lake Forest neighborhood has more amenities than all of our neighboring POAs and HOAs. We are also the largest POA in the Southeast, which may be a surprise to some. Board members on behalf of our community are obligated by our written guidance to protect our current common amenity package for future generations. Doing so, is in accordance with, the POAs governing documents. Keeping our amenities repaired and maintained enhances our community and property values.

From 2015 to 2019 our long overdue and needed renovations of our (3) pools and playgrounds were completed on budget with no debt incurred by the POA.

Starting in 2019 with the enhancement of all of the structural support piles and then by completing a diligent renovation in 2021, our Yacht Club waterfront venue was vastly improved. The improvements made to the Yacht Club enabled us to enter into a new operator agreement that will benefit our organization for years to come. Without our past investment we would not have been able to enter into such an agreement. There was no debt incurred by the POA for the yacht club renovations. These improvements to our amenities contribute to the increase in our property values.

Cooperation between the City of Daphne and Lake Forest: Past and current investment from the City of Daphne has vastly improved our roads, medians and sidewalks. Our POA has entered into mutually beneficial agreements with the city; leasing our under utilized Lake nine golf course to create a Disc Golf Course with Walking Trail at no expense to us, followed by a second lease with the City of Daphne for one acre of six that we own on the bay off Yacht Club Drive. This lease arrangement enabled the City to pursue grants that resulted in the dredging of the boat channel, improved marina parking area, a refurbished bulkhead and new kayak and boat launches; also at no cost to our POA members.

Dues: Low stagnant \$30 dues rate for 20 years from 1983 to 2003 (see dues history chart page 4) caused our amenity package to nearly crumble. Dues increases beginning 2004 helped us to "catch up" with cost of living increases and paid for critical long overdue amenity renovations. All renovations since 2015 were accomplished without incurring any debt. During our annual budget reviews the dues rate is discussed along with many other facets of our organization. There is a deliberative process by the board in conjunction with our management team as to what level to set the dues rate and whether or not to have an assessment. The intent of our dues rate is to set the rate at a level that enables the POA to retain and maintain our amenity package as well as provide our staff with a competitive wage and fringe package. Also part of the budget discussion would include setting aside funds for our emergency reserve account and for our building fund. These annual deliberations are always difficult and the dues rate after much debate is then set usually by November for the next calendar year. Our current rate is \$60 per month which was our 2018 rate and was a "roll back" from the \$70 rate that was in place for 2020 and 2021. Future dues rates will continue to include a deliberative process.

Lake Forest POA has no debt and has recently completed a successful IRS Full Audit with no findings.

Notes from the Board of Directors contd.

Lake Forest Residents Enjoying our Tennis Program contd.

I never thought I would start playing a competitive sport in midlife, but here I am". When asked what she would say to someone considering signing up for the beginner tennis class at Lake Forest, she confidently smiled and said, " It doesn't matter if you played before, just sign up. There is room for everyone."

I wanted to know if Anna and her family took advantage of the other amenities in Lake Forest. Again, she shared positive feedback! Anna's family uses the pools and playgrounds all summer long. They also enjoy the walking trails on the disc golf course.

"I like the trees and the unique architecture. It is a very central location for commuting to Mobile and the Eastern Shore. I feel very safe living in Lake Forest."

Next, I spoke with Robyn, from Pittsburgh PA. She has lived in Lake Forest for one year and is doing the admirable job of a stay at home parent. Robyn has one son that is nine years old. She also saw the ad for our beginner tennis clinic in the Lake Forester and FB. She bravely signed up amongst a bunch of strangers and now says they are all good friends. Our clay courts at Lake Forest are a gem and Robyn loves them. After a full match on clay courts, your body is able to recover quicker making it possible to keep on track without soreness. She plays three or more times per week.

Robyn captains one of our winning Lake Forest ladies teams. She enjoys the social and competitive part of league tennis. She is definitely a team leader and does a fantastic job of keeping the ladies informed and organized. I asked her what she would say to someone considering signing up for the adult beginners class in Lake Forest. "It's an opportunity that happens once a year- Just sign up."

Robyn's family also uses other Lake Forest amenities, stating that her family uses the pools all summer and the wooded areas in Lake Forest are great for exploring and walking her dogs.

"I like that it's not a cookie cutter neighborhood and I love all the green trees and rolling hills in Lake Forest."

Thanks Anna and Robyn!

Be on the lookout for our Spring 2023 ladies beginner class. Our classes are fun filled and health based. Tennis is such an easy way to make friends with people just like you.

NOTICE OF ANNUAL MEETING

March 23, 2023 7:00 p.m.

Christ Wesleyan Church

151 Van Buren Street

Daphne AL 36526

All property owners in good standing are invited to attend. Seating is limited, please contact Tracey Anderson 251-626-0788 for a reservation. There will be a zoom link for those who cannot attend in person.

Do you have an Updated LFPOA Membership Card?

News from our State House Representative Matt Simpson

As March begins, your Baldwin County Legislative Delegation finds itself preparing for the oncoming start of the 2023 Alabama Legislative Session, which begins on Tuesday, March 7.

As written in the Alabama Constitution, we are limited to 30 legislative meeting days within a period of 105 calendar days and there are usually two “legislative days” each week until we get near the end of the year’s session.

Confused by that? Most folks are, so to put it in plain English – usually, on Tuesdays and Thursdays during session, those are days we’ll actually be on the floor of the House debating, discussing and voting on bills and those are actual “legislative days.” On Wednesdays, we generally have most of our committee meetings where we gather information and possibly move legislation through those committees for an eventual floor vote and those days don’t count toward that “30 legislative meeting days” total.

Some of the big issues we’re likely to tackle first are those that have been deemed a priority by our Republican leadership in the Legislature – Speaker of the House Nathaniel Ledbetter and Senate President Pro Tempore Greg Reed – as well as Governor Kay Ivey and Lieutenant Governor Will Ainsworth, who also serves as the President and Presiding Officer of the Alabama Senate.

Included in that package of legislative priorities is a much needed push to build on education initiatives we’ve undertaken the last few years to raise test scores in schools across our state like the Literacy Act we passed in 2019 and the Numeracy Act we pass last year, which helped better set standards and provided more resources for teaching reading and math, respectively.

We will also likely see a push to increase funding for Pre-K classes to make sure all areas can be able to take advantage of our top-notch nationally high-ranked First Class Pre-K program and I think that will probably pass easily with bipartisan support.

News from our State House Representative Contd Matt Simpson

Education is the silver bullet for addressing almost every issue we see that negatively impacts our state so we are going to be looking at anything we can do to make sure Alabama schools are always improving.

Other legislative priorities include:

- Passing legislation to revise state law to make adopting children easier in Alabama so that we can move more kids into permanent homes.
- Renewing and updating the Alabama Jobs Act, which has been used to provide economic incentives to recruit businesses and industries to our state, like Novelis to our Megasite here in Baldwin County.
- Distributing the remaining \$1 billion sent to our state in American Rescue Plan Act (ARPA) funds that are part of the COVID relief package passed by Congress.

One of the final priority pieces of legislation for this session is actually a bill that I authored and sponsored, HB1, which will finally put mandatory minimum prison sentences for trafficking fentanyl. Since fentanyl has quickly become the leading cause of overdose deaths in our state and continues to make its way into our communities, we have to make sure that these merchant of death drug dealers will serve prison time for dealing this deadly drug.

I am glad that Speaker Ledbetter has made HB1 a priority and I am hopeful that it will be one of the first pieces of legislation to make it to the Governor's desk this year.

If you have any questions or concerns or comments or want to raise an issue ... or if you just need to talk about something, that's what we're here for, so please reach out and give me a call or shoot me an email.

Matt Simpson is the Chairman of the Baldwin County Legislative Delegation and represents District 96 in the Alabama House of Representatives. He can be reached at mattsimpson196@gmail.com.

Golf Pro's Corner

BY TODD BAILEY, PGA

We were able to enjoy golf on many days this February compared to other years, and this final week has been quite springlike. Now we look forward to the start of a very busy tournament season in the months of March and April. We will host numerous outside events during these months starting with the Gulf Coast Challenge to finish up February on the 27th and 28th, We will then host the Pinseekers on Monday, March 6th, and the Sand Crabs on the following Monday, March 13. The MGA will be firing up again on March 18, for the St. Patrick's Day event after taking the month of February off. We will keep you updated in the April issue for further events scheduled for April. More information will follow in that issue.

For those of you thinking about dusting the "winter" off the clubs, March is a good time to form proper habits that can lead to more enjoyment on the course. Contact me in the pro shop at 251.626.9324 to devise a plan to get the most out of your game this year.

Don't forget all of our great league play. All our leagues play every month, even through the winter.

- Men's Golf Association
- Ladies Golf Association
- Senior Couples Golf Association

We give a shout out to Jake and the entire staff that work so diligently, and with great effort to continue to improve conditions around the facility. Thank you guys! It looks great out there!

Summer Tennis and Swim Camp Schedule is Published!!

Sign your child up for the #1 tennis and swim camp on the Eastern Shore.

Uber Junior Tennis boasts the most popular summer tennis and swim camp on the Eastern Shore of Alabama. We have been operating this particular program for over 10 years now. We came up with a camp that is extremely fun, active and educational. Our summer program is designed to introduce kids to the game of tennis and give them an outlet of a healthy summer lifestyle.

Garden Club

BY JANE SPICIANNI

Even almost 100 % dependable Amaryllis bulbs need precise positioning when being planted in the soil. Their head and shoulders cannot be covered by the soil but rather be seen and exposed to the sunlight; this is what their bulbs are craving.

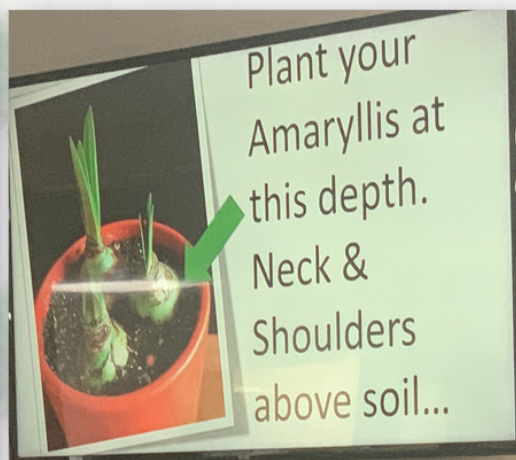

Loree Hadley explained this important fact to us during her presentation on “Amaryllis-Varieties & Propagation”. Loree really knows her amaryllis, having tried and tested countless varieties. Dedicating her time and love to their needs.

Amaryllis bulbs are an investment in future beauty for the garden as the average bulb can last 25 years and often much longer. Their favorite fertilizer would be a 10/20/20 also consider Epsom salts that will help strengthen their color. Over the years the bulb may start to get covered in soils so when that occurs it is time to get on the hands and knees so that their head and shoulders may once again be exposed to the sunlight. And this would be a good time to break off some bigger baby bulbs that have grown next to their parent bulb.

Judy Blaise gave a wonderful inspiration as always. The 19th Hole continues to host us in a grand way.

Maybe we will see on March 2nd at 10am for the next Garden Club Meeting.

Women's Club

BY EVE GRAY, WOMEN'S CLUB PRESIDENT

At our meeting on February 16, the LF Women's Club enjoyed a presentation by Alli Flowers on the origin of tea. Did you know there are only 6 types of tea? Green tea which is the most popular globally; Chai tea, which originated in India, is an actual black tea but has an unusual flavor profile; Oolong tea which is semi-oxidized green tea; Matcha tea is made from ground up green tea leaves; Rooibos or African Red tea is made from the red bush and Black tea, the most popular and made from fully oxidized tea leaves.

High tea was served from donated tea sets; hostesses Mary Loury, Alli Flowers, Eve Gray and Karen Berthelson prepared finger sandwiches and sweets to enjoy with the tea. Later, a drawing was held to raffle all the tea sets. Smiles accompanied the tea sets to their new homes.

The women' club will be offering custom shopping bags, hopefully sometime in early March. Watch our FB page for the announcement.

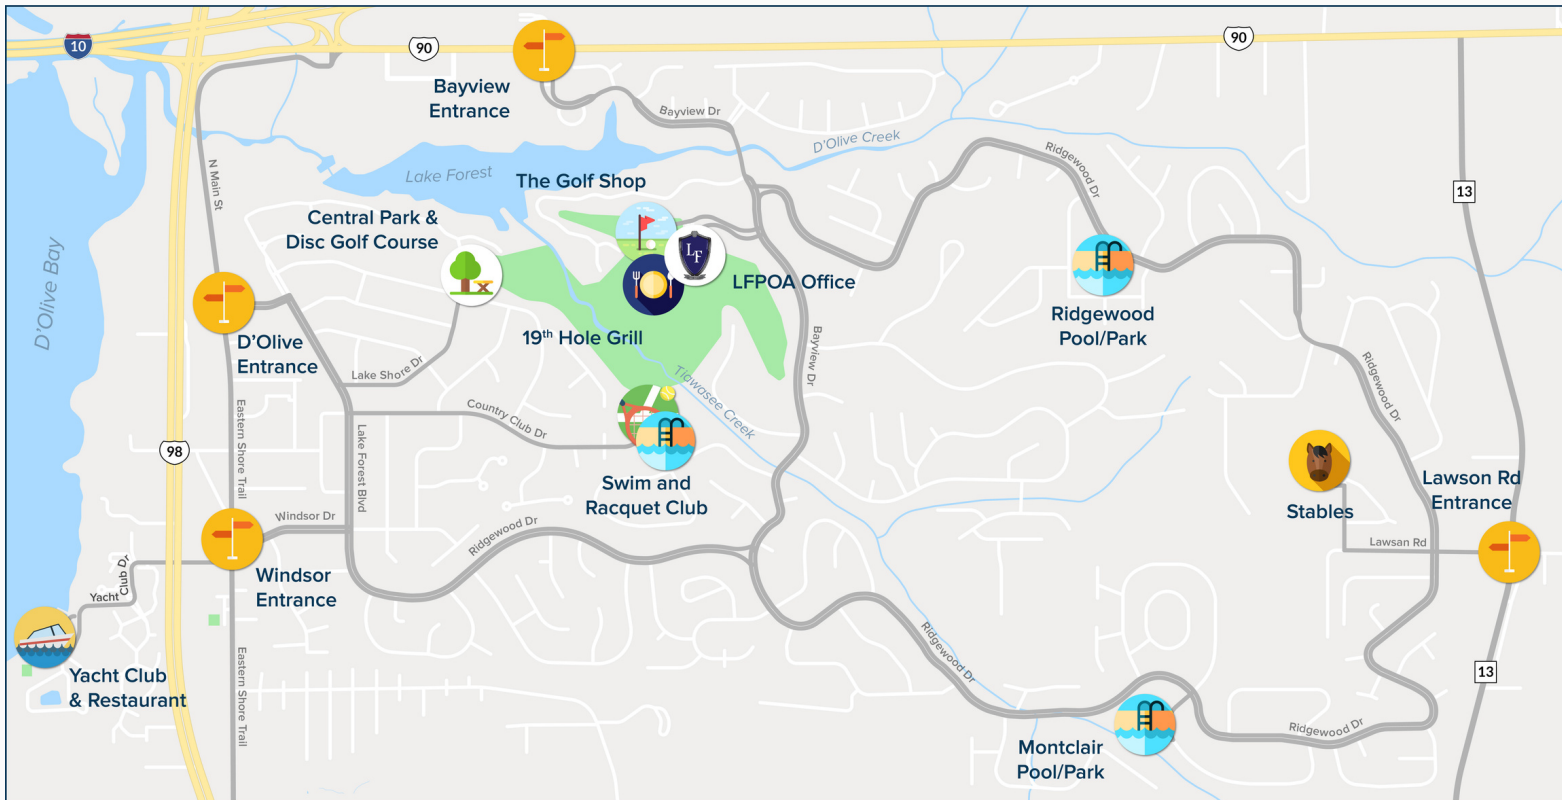

February 21st we had a great time at our social gathering. There were lots of stories, laughing, and bonding. If you missed this one, watch for our next announcement.

The Women's Club meets the 3rd Thursday of the months September – May at 10 am at the 19th Hole. Meet your neighbors, network, laugh, engage in social events, and make new friends.
