News from our State House Representative Matt Simpson

I am thankful to be able to write to you that HB1, the bill I created to mandate prison time for criminals trafficking the deadly drug of fentanyl, has been signed into law by Governor Kay Ivey and is now helping to protect the people of Alabama by making sure that these dealers of death will be serving prison time for their attempts to push this poison of fentanyl into our communities.

I am grateful for Governor Ivey and Speaker Ledbetter making that bill a priority this year and for getting it passed through the legislature and signed so quickly so that it could immediately begin to try to help curb this ongoing fentanyl epidemic.

And I'm not the only Baldwin County House member who has gotten a bill passed here recently. Congratulations are due to freshman Rep. Frances Holk-Jones for getting her first bill through both the House and the Senate this past week, HB56, which helps expand the work that licensed social workers can do for their clients to better help them with the issues they are facing. It was certainly a needed bill and received wide support from both parties and Rep. Holk-Jones should be commended for taking up this bill and getting it over the finish line.

Rep. Jennifer Fidler also recently got legislation passed, albeit in a slightly different way, as she allowed Senator Josh Carnley's SB91 to substitute in for her House companion bill, HB180, in order to get the intended legislation passed more quickly to help a key constituency here in Alabama and one I know is certainly key to Rep. Fidler – our farmers.

News from our State House Representative Contd Matt Simpson

The legislation Rep. Fidler helped sponsor and pass helps streamline some auditing and referendum mandates for our farmers that are required to take place, which allows them to spend less time on bureaucratic nonsense and more time actually farming.

And look for our other freshman Rep. Donna Givens, to be passing some important local legislation soon that will help all of us here in Baldwin County – especially a bill she’s worked on with District Attorney Bob Wilters to find a fix in the existing tobacco tax that would allow for a nurse specially trained to deal with sexual abuse victims to be on call 24/7 at our Baldwin County hospitals. This is a vital need in our county and I applaud Rep. Givens for finding a way to provide this needed resource.

If you have any questions or concerns or comments or want to raise an issue ... or if you just need to talk about something, that’s what we’re here for, so please reach out and give me a call or shoot me an email.

Matt Simpson is the Chairman of the Baldwin County Legislative Delegation and represents District 96 in the Alabama House of Representatives. He can be reached at mattsimpsonal96@gmail.com.

Golf Pro's Corner

BY TODD BAILEY, PGA

The 2023 Masters Tournament has come and gone, with congratulations going out to the Champion Jon Rahm! That means that the golf season is officially in full swing. So don't wait, get the clubs down, out, dusted off and come join us! There are so many great things happening at the golf course. There are numerous active leagues to join, where a game is to be found just about any day of the week, clinics, camps, awesome food in the 19th Hole, the fully stocked golf shop with an incredible selection of merchandise, if your looking for that special or last minute gift, the opportunities are endless! Whether you are a seasoned golfer or a beginner, you'll be amazed with the camaraderie, friendships and experiences that can be had on the golf course.

The MGA held their annual Masters Pick A Pro Tournament on Saturday April 15th after a weather rescheduling. Since the Masters itself was already in the rear view mirror, players were paired with professional scores via blind draw. Thank you for all that participated

One final note: I have been lucky enough to qualify for a couple of events this month, so I will be out of town for two, possibly three weeks in May. (I know, I know....I never work anyway) If anyone wants to follow along, live scoring will be on PGA.COM for all events, and televised on Golf Channel and CBS networks.

Garden Club - Yard of the Quarter

BY JANE SPICIANNI

Taking care of the yard takes time and creativity to make our gardens look good. This season we would like to put a spotlight on 124 Montclair Loop which is halfway up the hill from Ridgewood.

This house made of cedar was the only one on this road originally when it was built in 1976. Bob Belue had gone into the woods to bring home a wild dogwood for his garden that was one of the first trees that became part of this garden. Now the local dogwoods have been decimated by disease, so Bob has moved on to Loropetulum which are clipped and snipped every few weeks to keep them looking neat and just so. Also, a maple tree adds contrast.

Bob and Betty Belue often sit on their porch, which looks very cozy as they look out on their neighborhood. Colorful geraniums are sitting on the porch steps that have come from the country store "Country Wagon on 31 in Spanish Fort. Another feast for the senses is the backyard, an Orange tree was there for many a year but now it is replaced by an English dogwood, hibiscus and hydrangeas. The Belue's prepared for the cold freeze we had earlier this year by covering their cold-sensitive plants (with their car covers) like their bougainvilleas and bromeliads and managed to save quite a few. They have raised 6 dachshunds over the years who have enjoyed the backyard as well as the plants. Mr. Belue is kind to his potted plants changing out the soil almost yearly with miracle grow potting mix, as well as attending to the watering needs.

Maybe they will be on their porch when you stop by to enjoy their landscaping work to put a smile on your face.

Women's Club

BY EVE GRAY, WOMEN'S CLUB PRESIDENT

The April meeting was a “gaming” day of Uno, Yahtzee, Scrabble and also provided members a chance to enjoy the company of table partners. Our May meeting will be the end of the year party celebration as the group acknowledges the outgoing officers and votes in the new officers.

We have also decided to change the club to a year-round club with night/weekend meetings to hopefully include those women who may work outside the home or have commitments which may prevent them from a Thursday at 10 am schedule. Look to our Facebook page for updates.

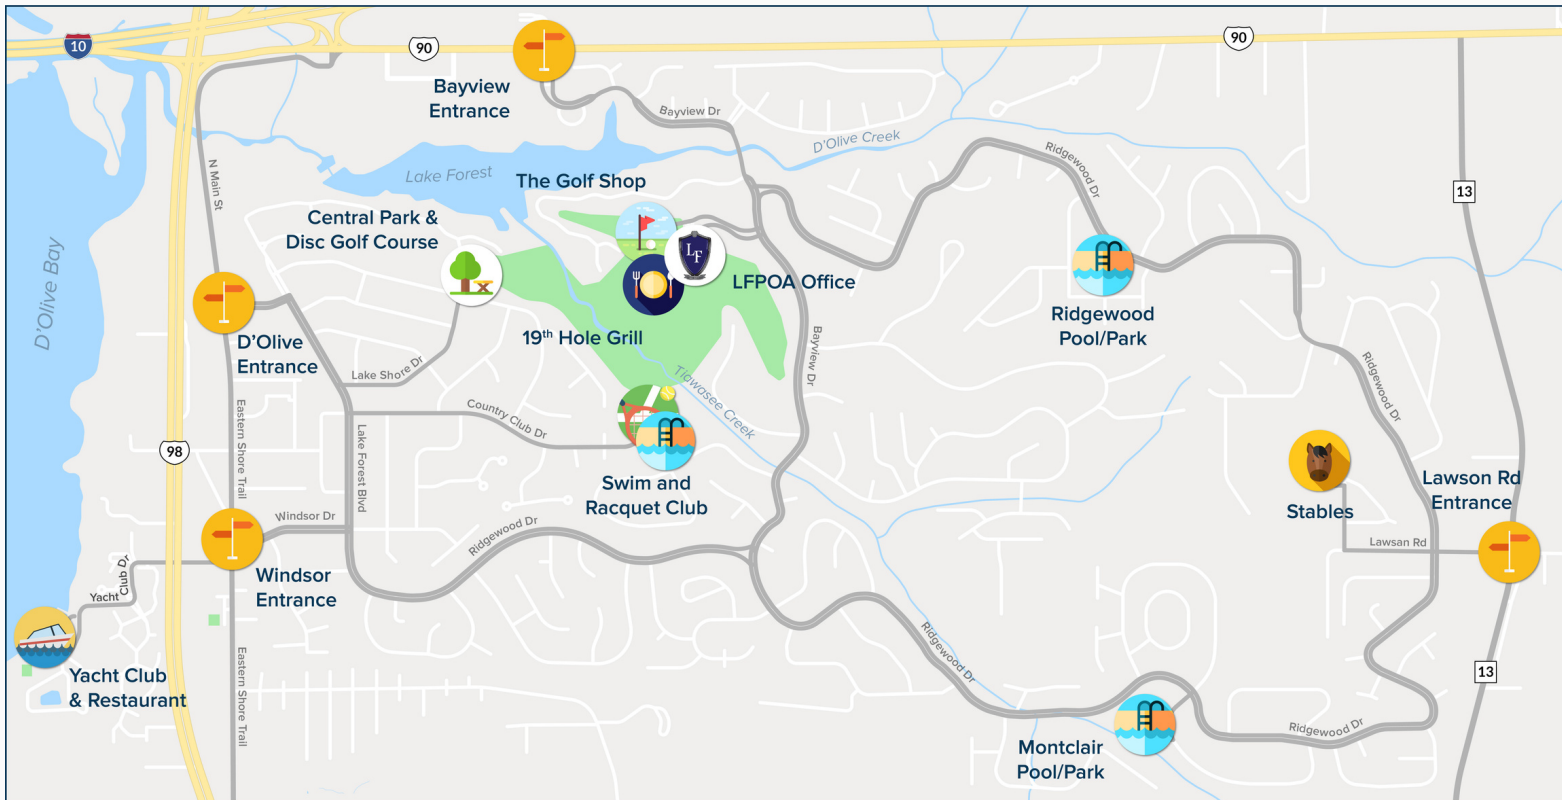

There is a delay on the shopping totes so watch our FB page. Great for shopping, baby items or beach, it will proudly display “Lake Forest – Daphne” on the side. This is a fund raiser for the club and provides the financial foundation for the club to continue its work in the community. We will be charging \$5.00 for the bag. Please indicate your interest on our Facebook page.

We will resume our Women’s Club meetings in September. Please check our Facebook page for times/places of our meetings.
