SECTION 8.2. CHECKS, DRAFTS. All checks, drafts, negotiable instruments, or other orders for the payment of money, notes, or other evidence of indebtedness issued in the name of the Association shall be signed by such officer(s) or agent(s) of the Association and in such manner, as shall from time to time be determined by Resolution (whether general or special) of the Board of Directors.

SECTION 8.3. CORPORATE SEAL. The Corporate Seal shall contain the name of the Association and the words "Corporate Seal." Said Seal may be used by causing it or a facsimile thereof to be impressed, affixed, reproduced, inscribed, or otherwise.

SECTION 8.4. SURETY BONDS. Such Directors, officers, or agents of the Association as the Board of Directors may direct from time to time shall be bonded for the faithful performance of their duties, in such amounts and by such surety companies as the Board may determine. The premiums on such bonds shall be paid by the Association and the bonds so furnished shall be in the custody of the General Manager or such other person as determined by a resolution of the Board.

SECTION 8.5. MEMBERSHIP CERTIFICATES OR CARDS. The Board of Directors may authorize the issuance of certificates or cards to Members in Good Standing of the Association evidencing such membership or may appoint Management this duty.

SECTION 8.6. BORROWING MONEY. The Board of Directors shall not have any authority to incur debt in an amount in excess of \$100,000.00 in a fiscal year secured by Association property or on open account, without the approval of a majority of the membership present or represented by proxy at a duly called membership meeting. This limitation shall not apply to renewal, refinancing or extensions of existing loans.

SECTION 8.7. WAIVER OF NOTICE. Whenever any notice is required to be given to any Member or Director of the Association under the provisions of these Bylaws, the Article of Incorporation the Declaration, or under the provisions of the Constitution of Alabama or the Alabama Nonprofit Corporation Law, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

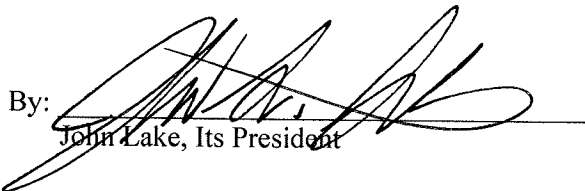

SECTION 8.8. INDEMNIFICATION. (a) This Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative, or investigative, including appeals (other than an action by or in the right of the Association), by reason of the fact that the person is or was a director, officer, employee, agent or attorney of the Association, or is or was serving at the request of the Association in such

capacity(ies) for another corporation or joint venture against expense (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that this conduct was unlawful. (b) This Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed claim, action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation or joint venture against expense (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and except that no indemnification shall be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. (c) Any indemnification under subsections (a) and (b) — unless ordered by a court — shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b). Such determination shall be made by (1) the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to nor who have been wholly successful on the merits or otherwise with respect to, such claim, action, suit or proceeding, or (2) if such a quorum is not obtainable, or even if obtainable, a quorum of disinterested Directors so directs or does not determine, by independent legal counsel in a written opinion, or (3) if not made in the instance provided for in (1) or (2) above, by the Members, or (4) if not made in the instance provided by (1), (2) or (3), by mediation which must be attended in good faith by all parties. (d) Expenses (including attorney's fees) incurred in defending a civil or criminal claim, action, suit or proceeding when authorized in the manner provided in subsection (c) upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amounts if and to the extent that it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized in this section. (e) The indemnification provided for herein shall not be deemed exclusive of and shall be in addition to any other rights (whether created prior or subsequent to the adoption of the Bylaws) to which those indemnified may be entitled under any statute, rule of law, provision of the Declaration, Articles, Bylaws, an agreement, vote of Members or disinterested Directors, or otherwise both as to action in such person's official capacity and as to action in another capacity while holding such position and shall continue as to a person who had ceased to be a director, officer, employee, agent or attorney of the Association and shall inure to the benefit of the heirs, executors and administrators of such person.

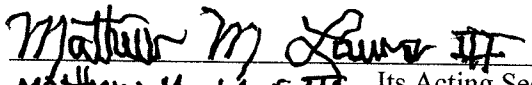

SECTION 8.9. AMENDMENTS. Any amendment to the Bylaws, consistent with any provision of the Articles of Incorporation or any provision of law, may be adopted by a vote of a majority of the entire Board of Directors at any meeting thereof. The notice of any such meeting shall include the form of the proposed amendment or a summary thereof. Any proposed amendment to the Bylaws of the Association shall be presented to the Board of Directors. Upon approval for consideration by a majority of the Board, Publication of the proposed amendment shall be made to the members at least thirty (30) calendar days prior to a vote of the Board after which the Board may adopt all or part of the proposed amendment.
