"A traffic calming device was placed in the 300 block of Ridgewood Drive in response to safety concerns.

Thank you to Public Works Director Ronnie Husky who quickly responded to assist.

Over the coming weeks data will be collected from this device to help determine if any additional safety measures are necessary."

Notes from the Board of Directors

BY LFPOA BOD

Cooler weather will be here soon and with it more residents will be using our recently constructed walking trails and sidewalks to exercise and to walk to the high school. Please slow down and drive the posted Lake Forest Speed Limit 25 MPH. We ask everyone to use caution while transiting our streets and to be on the lookout for all pedestrians. With school open and better weather, we can expect more bikers and walkers to be using our trails.

We are excited to announce that the POA will host our annual “Trunk or Treat” Fall Festival Event on Saturday 29 October at the Lake Forest Marina. The event will run from 4 pm to 6 pm with awards offered for best costume and best “trunk” See flyer on page 2 on the newsletter. We are seeking volunteers to help set up the event, help with traffic control, act as safety monitors, and possibly assist with serving free hot dogs and popcorn. Call the office to sign up at 251-626-0788 and please provide your contact information. Later that evening same day the Back Deck will offer live entertainment.

Recently, the board established our POA sponsored annual events calendar. The POA sponsored events are “Easter Egg Hunt”, “St Patty’s Day”, “4th of July Celebration”, “Trunk or Treat Fall Festival”, “Breakfast with Santa”, and the “Community Garage Sale”. Dates and Times will be provided.

Encouraged by members to improve our neighborhood appearance in the coming months the board is taking steps to strengthen Architectural and Covenant Compliance in our neighborhood.

Additional emphasis will be placed to increase enforcement measures for:

- improper parking in yards
- improper storage of trailers and motor homes
- placement of bulk pick items curbside more than 24 hours in advance of the scheduled city
- collection day (by City Code, debris and bulk trash items are not allowed to be placed more than 24 hours in advance of scheduled collection day)

We are currently taking research steps necessary to explore possible repairs to the marina piers as well as Golf Terrace Drive (clubhouse entrance) that have sustained damage due to past weather events. This Fall we will also be accomplishing some maintenance cleanup projects such as adding mulch to our playgrounds. A volunteer self-help day in early November to assist with median clean up prior to Thanksgiving is being considered. More to follow.....

For now, be safe, enjoy the cooler weather and get out and enjoy our sidewalk trails as well as some good ole fashioned football.

Meet Debbie Gee

32 YEARS OF SERVICE TO LAKE FOREST
OFFICE MANAGER AND ACCOUNTS PAYABLE

I have worked for Lake Forest 32 years. I started in May of 1990 working in the 19th Hole. I have worked in several departments over the years such as housekeeping and Yacht Club. I was F & B manager at the Yacht Club twice.

In April of 1994 I moved to the office as Accounts Receivable and a few years later Accounts Payable was added to my duties. I work closely with our General Manager in procuring contracts, insurance and any other information we may need to take care of daily business.

Now I am Office Manager, Keeper of Records, Accounts Payable and Accounts Receivable. I assist Bill Donathan, with ICON, in providing financial information so that ICON can produce Financial Statements, file taxes and whatever the BOD may need.

I enjoy my job . It can be challenging but with the great coworkers I have and the expertise and professionalism of ICON we have come a long way.

On a personal note, I enjoy spending time with my children and grandchildren. Of course they are grown now with lives of their own but we still make time for getting together cooking out, swimming and just hanging out. I also enjoy reading and watching TV when I can get a quiet moment.

Broadmoor Drive - LF
Laverne Circle - LF
Laguna Circle - LF
Lawson Road - LF

City Liaison Update Contd.

BY VICTORIA J PHELPS

Marina Boat Ramp Parking and other City of Daphne sponsored improvements are scheduled to begin after 5 September 2022

- Marina area improvements include an addition of a kayak boat ramp
- Lake Shore Drive drainage and roadway improvements are approved and work is expected to commence before the end of the year
- Phase 7 of decorative post signage program is 75% completed
- Speeding / Safety item was reported around the 300 block of Ridgewood Drive which was reported to the city

News from our State House Representative Matt Simpson

Matt Simpson, Chairman of the Baldwin County Legislative Delegation

While it is always a blessing to get to call Baldwin County home, I have to say that here lately we certainly have been getting great news and opportunities coming our way quite regularly.

The team over at the Baldwin County Economic Development Alliance, led by Lee Lawson, recently landed a huge win for our Baldwin County Mega Site up in north Baldwin County – a \$2.5 billion investment from Novelis to build an aluminum recycling and rolling plant that will bring with it 1,000 jobs and, as an added bonus, an Advanced Manufacturing and Leadership Center of Excellence that will be built in the heart of my district at the Daphne Innovation and Science Complex right off of Champions Way.

Novelis is a game changer for all of Baldwin County and I look forward to the good-paying jobs it will bring for our citizens here, but we have more to celebrate.

Just last week, the Baldwin County School System broke ground on a new state-of -the-art career and technical academy just north of I-10 in Loxley that will help put around 800 students a year directly into our workforce with good-paying jobs in our local industries.

This \$73 million investment in our children’s futures will partner with existing industries like Austal, Airbus, Collins Aerospace and Novelis to educate 10th through 12th graders from across our county and region and give them the technical skills and direct professional training they need to earn a great living directly out of high school.

Construction, nursing, welding, aviation, cyber security, engineering, graphic arts and a Baldwin County Teacher Cadet Program – our children are going to be equipped with the knowledge, resources and training they need that will put them leaps and bounds ahead of a lot of other students out there.

News from our State House Representative Contd Matt Simpson

I applaud our school system and my fellow elected officials across Baldwin County for helping make the Baldwin Preparatory Academy a reality. It takes all of us to make a project like this happen, including my fellow members of our Baldwin County Legislative Delegation – especially Senator Chris Elliott and Senator Greg Albritton for securing \$10 million in state funding for this school, which was a great and needed win.

As a parent with two kids currently working their way through the Daphne public schools – including a son who just started high school – I know firsthand how stressful it can be for us parents to think about what kind of future awaits our children, what kind of quality of life will they have and how can we make it better than what we have had?

With the Baldwin Preparatory Academy opening its doors in 2024, I can say to you without fear of contradiction that our kids’ futures will be bigger, brighter and better than ever – we are handing them the tools they need to be able to help keep Baldwin County and Coastal Alabama the prosperous, beautiful place we know it to be.

Matt Simpson is the representative for Alabama House District 96, which includes the entirety of Lake Forest. He is the Chairman of the Baldwin County Legislative Delegation and will begin his second term as your representative in Nov. 2022.

Golf Pro's Corner

BY BRIAN BARKER, PGA

Well, the brutal summer heat is hopefully behind us, as we can all look forward to some cool fall temperatures ahead. What a great time of year to spend outdoors, enjoying our friendships, sharing some laughs and simply having a lot of fun! We've all waited for it, and it's finally here, the beginning of football season??? Remember, there's plenty of time to get a quick 18 in before kick off.

The 2022 Double Elimination Match Play Championship continues on, with one finalist having reached the championship match. The 2022 Par 3 Challenge was held on August 27th with the results as follows: Flight "A" – 1st Place Gross – Anthony Hadley (60), 1st Place Net – Tommy Stutts (53), 2nd Place Gross – Tony Sheffield (62), 2nd Place Net – Jim Courtois (56), 3rd Place Net – Gray Englebert (56); Flight "B" – 1st Place Gross – Terry Fuller (61), 1st Place Net – Carl Kauffman (49), 2nd Place Gross – John Siipola (63), 2nd Place Net – Steve Szedlmayer (54), 3rd Place Net – Tom Ames (55). Thank you to all the those that participated in a fun filled, challenging event. Next up on the schedule is the annual LGA sponsored Labor Day Scramble held on Monday, September 5th, with a shotgun start at 8:30. This event is open to everyone, so grab some buddies and come enjoy an awesome experience on the links. Call the Golf Shop to register your team 251-626-9324. Lake Forest will be limited tee times Tuesday, September 6th, until approximately 1:30pm, as we'll be hosting the ALNWFlorida PGA Pro/Member that morning.

Even though the month of August was an extremely wet month, you may have noticed all the great conditions around the golf course. Jake and the entire staff never cease to amaze with their continued efforts to make Lake Forest better and better every day. It looks TERRIFIC! Thanks guys!!

Upcoming Golf Events

Thursday, September 1 – 3:00pm – Kiwanis Club 9 Hole

Monday, September 5 - Labor Day Scramble

Saturday, September 10 – Hacker's Golf Tour – Tee times start at 8:30am – Closed until 1:00pm

Sunday, September 11 – Hacker's Golf Tour – Shotgun Start at 8:00am – Closed until 1:30pm

Sunday, September 11 – Eastern Shore Sportsman Association – Shotgun Start 1:00pm

Monday, September 19 – Pinseeker's Golf Association – Shotgun Start 8:00am – Closed until 12:30pm

Saturday, September 24 – Why Not Knights – Shotgun Start 8:00am – Tee Times before 7:45am, after 11:00am

Lake Forest Golf Course. "The best value for your buck, anywhere"

Racquet Club News

BY MICHAEL ALBRECHT, USPTA

LADIES 2.5 Combo Team Local League Champs!!

Congratulations to Team Mock for winning the local league 2.5 combo USTA league. It came down to a playoff match against a team from the Mobile Tennis Center. It was a long hard fought team match with Lake Forest defeating the Tennis Center Team 2 courts to 1. Congrats to all the ladies and especially team captain Jennifer Mock for leading her team to victory all season long. All these ladies started playing tennis in March attending our ladies beginner program and now they are local league champs off to the State Tournament in November.

Another congratulation goes out to Abbie McCullough and Many Barber for winning the Lake Forest Ladies 2.5 Summer Round Robin.

Exercise and Sleep

Exercising regularly is a great way to stay healthy and happy. It can reduce stress, improve mood, lower diabetes, and heart disease risk, and even help you lose weight. If you're starting a new exercise routine or trying to get more active, you may have questions about incorporating working out into your life. What type of workout should you do? When should you work out? How much is the right amount? A balanced approach to staying fit includes healthy eating habits and regular physical activity. Both are equally important for your health at any age. When we think of relaxation, sleep isn't the first thing that springs to mind. After all, it's hardly the most exciting pastime. But getting enough shut-eye is essential for keeping our bodies healthy, strong, and stress-free. Sleep affects almost every part of our being, physically, mentally, and emotionally. In this article, we'll explore everything you need to know about exercising and sleeping, from the benefits of each to tips for incorporating them into your daily routine.

What is Exercise? Exercise is any activity that increases your heart rate or causes your muscles to contract. Exercising regularly can help improve your health, prevent disease, manage weight, and increase your lifespan. It can also help reduce stress, improve your mood, and improve your self-confidence. Exercising is a great way to enhance your mental and physical health. It can help reduce stress and anxiety and improve your mood, sleep quality, and self-esteem. Working out can improve blood pressure and cholesterol levels, reduce your risk of heart disease, diabetes, certain types of cancer, and obesity, and increase your lifespan.

How Does Exercise Help Our Bodies? Working out helps your body in many ways. It can reduce your risk of heart disease, improve blood pressure, help you lose weight, increase your energy levels, boost your mood, and improve your self-esteem. Working out also helps your body by increasing your metabolism, strengthening your muscles and bones, and assisting in sleeping better at night. Exercising regularly causes your heart rate to increase, increasing the amount of oxygen flowing through your body. This positively impacts your body because it helps reduce stress, reduce disease risk, and improve mood. Exercising also causes your brain to release endorphins, chemicals that can help fight depression and make you feel happier.

Exercise and Sleep Contd.

The Benefits of Goodnights Sleep. Sleep is crucial to staying healthy. Healthy sleep is linked to a lower risk of heart disease, diabetes, and obesity. But sleep disorders are common, and most people don't get the sleep their bodies need, increasing their risk for all of the above. Sleep disorders like insomnia and poor sleep hygiene have been linked to higher rates of obesity, type 2 diabetes, metabolic syndrome, and cardiovascular disease. While there are several things your diet and workout routine can do to help you get enough rest, improving your sleep environment is also crucial. And what counts as a healthy sleep environment varies from person to person.

Strategies for Incorporating Good Exercise, a healthy lifestyle, and Sleep Habits

1. **Start Small-** If you haven't exercised in a while, it's best to start small. You can build up to more intense workouts later on. This will help prevent injury and allow you to get the most out of your workout routine.
2. **Hit the Reset Button-** If you're feeling stressed or anxious, a workout can help. Not only does it release endorphins, but it can also give you an outlet to get your feelings out. This can help you feel better both in the moment and long term.
3. **Get Your recommended night's sleep-** Sleep is crucial for staying healthy, and you can help yourself get better recommended nightly sleep through work out. A regular exercise routine can help you sleep better since it can help reduce stress, depression, and anxiety. This can also help you improve your diet and make healthier choices.
4. **Put Your Plan in Writing-** Writing down your workout and sleep habits will help you stay accountable. Put your plan in writing, and you'll be much more likely to follow through.

Exercise is an essential part of a healthy lifestyle. It can reduce stress, improve your mood, lower your risk of disease, increase your energy levels, and even help you lose weight. Exercising regularly can also help you improve your diet and make healthier choices. To stay healthy and happy, it's important to incorporate exercise into your life. The most important thing is to remain consistent. When you get enough restorative sleep, your body can repair any tissue damage the day before. This means you are less likely to catch a cold or flu from friends or colleagues. Your immune system stays strong, which reduces the risk of contracting a virus. Your brain can store memories more efficiently and also maintain a balanced mood throughout the day.

The Back Deck Bar and Grille

BY CALVIN CLAY

August is flying by and events and catering are booking up fast. Be sure to call Kim well in advance if you are planning to host an event with us.

We did get our brand-new margarita machine, so bushwhackers are back and so are wine slushies. Our mixologists behind the bar are always looking to get our guest new and exciting drinks.

We continue to look for front of the house staff which is needed to get the patio open for full-service daily. The labor pool continues to be tight so please help us get the word out the Back Deck is hiring. It's a great place to work where tips are good and paid nightly.

We are doing karaoke every Monday still with Jeremy Perkins and have added every other Wednesday. The Karaoke Crowd is awesome!!

We have two new guys in the kitchen that are doing an amazing job, looking for two more part-time people. The Back Deck will be open Labor Day regular hours. We will be advertising a BBQ theme food special for Labor Day. Look for it on our Facebook Page.

Saturday's in September the Back Opens at 11 am for College Football

FISH FRY FRIDAY'S

**LIVE MUSIC EVERY FRIDAY
LES HALL PERFORMS
FROM 6 pm to 9 pm**

The Back Deck Bar and Grille

STARTERS

- Cheese Quesadilla ... \$ 8**

Garden Club - Yard of the Quarter

BY JANE SPICCIANI

A labor of Love is what can be felt in the backyard of 156 Rolling Hill Drive—facing the golf course close to where there is golf cart access near the third Green. Robert has been transforming the backyard into a functional oasis. Robert Jur started with building his own an extensive deck and then looking forward to a cozy fire led him to consider a fire pit but first, he put down an amazing medley of pavers; that has worked as the foundation of their patio garden. His wife Jennifer Patronsky enjoys cut flower arrangements, which Robert has been buying for her but now sometimes he can add in flowers from their own garden.

Stones are not part of the natural landscape around here but he had a dream of raised decorative flower beds so stone by stone he created these raised beds for flowers and vegetables. He has successfully been harvesting long beans and has recently put in many vegetable seeds that will come to maturity over the cooler months, like beets, carrots, and members of the cabbage family. Then his mind turned to the beauty of a pergola, bougainvillea's have been sharing their gorgeous magenta blooms from hanging baskets on the pergola that he did build himself.

Sitting on the deck looking out at the beautiful environs is now a joy. The next project he is not sure about yet, he is considering how to add beauty to the front part of the yard. Another idea is fruit trees in the back to create easily reached fruit like in the Garden of Eden.

Golfers and neighbors have noticed his hard work and appreciate what this backyard adds to the Lake Forest golf course experience.

Women's Club

BY CHRIS LEWIS

Lake Forest Women's Club is a group of women who promote social interest and good will in the community. We meet on the third Thursday each month at The Back Deck from 10:00 a.m. to 12:00 p.m. during the months of September through May. Most of the meetings are hosted by group members who provide a light lunch. Occasionally, at some monthly meetings, The Back Deck provides lunch for a per person charge for each member.

Each month we host a special event or speaker who provides an information presentation to the club members. Lake Forest Women's Club also holds events to raise money for women's charities in our community and other local charities. We welcome all Lake Forest women to join The Lake Forest Women's club to meet your neighbors, make new friends, network, engage in social events, and contribute to our community.

Please contact the current Secretary of the Lake Forest Women's Club, Chris Lewis through the Lake Forest Women's Club Facebook page if you need more details or information about the club. We hope to see you at the upcoming meeting on September 15, 2022 from 10:00 a.m. to 12:00 p.m. at The Back Deck!

Publication Correction for our July 2022 Digital Newsletter Lake Forester:
In our last issue the Woman's Club report listed officers as "Chairman" and "Vice Chairman".
The titles for those positions should have been "President" and "Vice-President".

Hurricane Preparedness

WHAT TO DO BEFORE A STORM

Prepare a plan for evacuation.

Have a supply kit that could include:

- Wrench or pliers to turn off utilities
- Water, one gallon per person per day, for at least three days
- Food, non-perishable; at least a three-day supply
- Manual can opener
- Battery-powered or hand-crank radio and a NOAA Weather Radio with tone alert (extra batteries)
- Flashlight (extra batteries)
- First-aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air
- Plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Local maps (or updated GPS) showing evacuation routes
- Cell phone with chargers, inverter or solar charger
- Pet supplies (if applicable)
- Week's supply of medication
- Identification for every person
- Emergency contact information
- Insurance information
- Health care information

Create a list of key agencies you may need to monitor or contact. If possible, use the phone apps when available, as you may not have access to a computer.

Here are some suggested agencies to monitor:

Mobile Emergency Management Agency

Baldwin County Emergency Management Agency Baldwin weather alerts (requires signup)

Hurricane Awareness

Mobile / Pensacola NWS

Ready.gov : Hurricane Information

Hurricane Preparedness

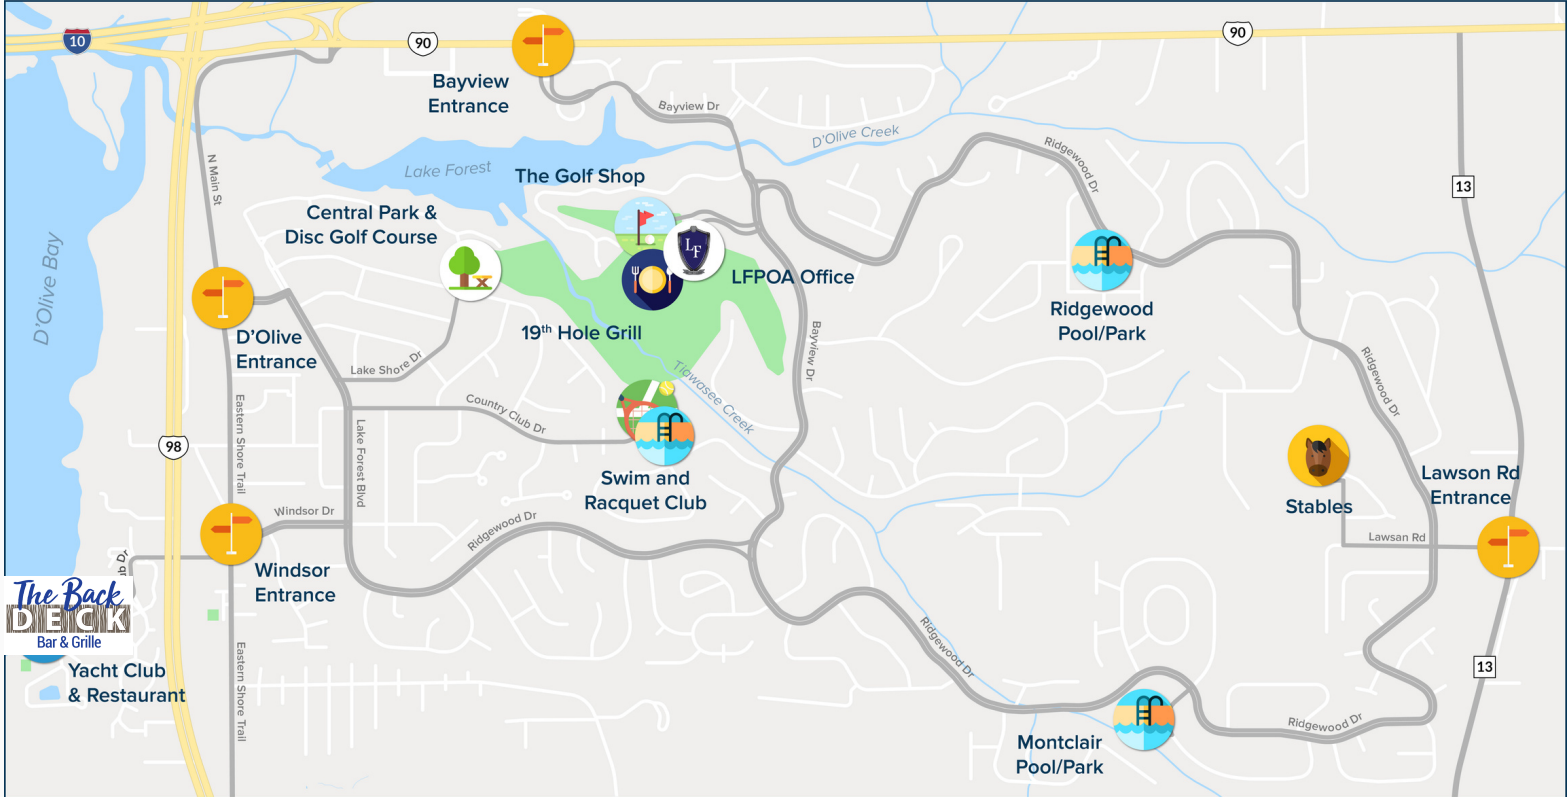

National Hurricane Center

NOAA Coastal Services Center

Alabama Emergency Management Agency
